This Font Software End User License Agreement (“Agreement”) is a legal contract between you (“Licensee”) and the Licensor. By downloading, installing, or using the Font Software, the Licensee agrees to the terms of this Agreement. If the Licensee does not agree to these terms, they must not install or use the Font Software.

1. DEFINITIONS

1.1 “FONT SOFTWARE”

Means the font files, digital typeface software, webfonts, and any associated data or documentation provided by the Licensor.

1.2 “PROJECT”

Means any design, website, application, or creative output produced by the Licensee using the Font Software.

1.3 “USER”

Means an employee, contractor, or individual acting on behalf of the Licensee who accesses or uses the Font Software.

1.4 “DOMAIN”

Means a fully-qualified domain name owned or controlled by the Licensee for use under the Webfont License.

2. GRANT OF RIGHTS

The Licensor grants the Licensee a non-exclusive, non-transferable, revocable license to use the Font Software according to the license type purchased. All rights not expressly granted remain with the Licensor.

3. LICENSE TYPES

3.1 DESKTOP LICENSE

A Desktop License permits installation of the Font Software on a specified number of local computers for creating static, non-embedded designs such as:

- printed materials
- logos
- social media graphics
- rasterized images
- static PDF documents

A Desktop License does not permit:

- webfont embedding
- in-app embedding
- uploading Fonts to online design tools or cloud platforms
- distribution of the Font Software

3.2 WEBFONT LICENSE

A Webfont License permits the Licensee to embed the Font Software into a website using CSS @font-face.

Permitted uses include:

- displaying live, selectable text on licensed domain(s)
- hosting the webfont on the Licensee’s server or approved hosting provider
- caching by end users’ browsers

A Webfont License does not permit use for printed materials, app embedding, or uploading to external design platforms.

3.2.1 USE FOR WEB DEVELOPMENT

The Licensee may use the Font Software for designing, prototyping, and developing websites (including use in tools such as Figma, Sketch, Adobe XD, or local development environments) under either of the following conditions:

Desktop License:

Allows installation and use of the desktop font files for website mockups, design, and development previews. This license does not permit publishing, self-hosting, or embedding the Font Software on a live or public website.

Webfont License:

Includes all rights granted under the Desktop License for web

EULA

development and additionally permits embedding and publishing the Font Software online via @font-face.

Embedding the Font Software online always requires a valid Webfont License.

3.3 APP LICENSE

An App License permits embedding the Font Software into a locally installed or downloadable application, including:

- mobile apps (iOS, Android)
- desktop software
- game clients
- offline or native applications

The Font Software may be included within the compiled binary of the app and distributed to end users as part of the application package.

This license does not allow uploading the Font Software to online platforms or cloud-based design tools that host or process the font.

3.4 ONLINE SERVICE APP LICENSE

An Online Service App License permits uploading and using the Font Software within web-based or cloud-based design platforms that require the Licensee to upload font files to the service provider’s servers.

Examples include (but are not limited to):

- Canva
- Adobe Express

This license is required specifically for platforms that require font upload.

Platforms that do not require font upload (such as Figma using local fonts) are covered under the Webfont License’s web development permissions and Desktop License.

The Online Service App License does not allow embedding in downloadable mobile or desktop apps; such use requires an App License.

4. RESTRICTIONS

Unless explicitly permitted by this Agreement, the Licensee may not:

Distribute, sell, or share the Font Software.

Upload the Font Software to any service except under a valid Online Service App License.

Modify or convert the Font Software to a different format (except for legally allowed webfont subsetting under a Webfont License).

Claim authorship of the Font Software.

Use the Font Software in a manner that violates applicable laws.

5. INTELLECTUAL PROPERTY

The Font Software and all associated rights are the exclusive property of the Licensor. The Licensee obtains only the rights explicitly granted in this Agreement.

6. TERMINATION

This Agreement is effective until terminated. The Licensee’s rights automatically terminate if they breach any terms. Upon termination, the Licensee must cease use and delete all copies of the Font Software.

7. WARRANTY AND LIABILITY

The Font Software is provided “as is” without warranties of any kind. The Licensor shall not be liable for any damages arising from use of the Font Software.

8. GOVERNING LAW

This Agreement shall be governed by the laws of the jurisdiction in which the Licensor resides, unless otherwise required by applicable consumer protection laws.

9. ENTIRE AGREEMENT

This document constitutes the full and complete Agreement and supersedes all prior understandings, written or verbal.
